Human Resources Division

Attn: ARS-X5W-0230

5601 Sunnyside Avenue, Stop 5106

Beltsville, MD 20705-5106

Fax: (301) 504-1535

E-mail: scirecruit@ars.usda.gov

Applications must be postmarked, e-mailed or faxed by the closing date of the announcement. Applications received in Government envelopes will not be considered.

Please take advantage of the Application Package Checklist at the end of this announcement to ensure your application is complete.

Applications will also be accepted from USDA Surplus and Federal Displaced Employees in the commuting area.

Major Duties:

The incumbent is Research Leader of the Water Management Research Unit. The incumbent is responsible for all aspects of the unit, including, the research program, personnel, facilities and technology transfer, and is accountable for use and distribution of funds and other resources available to the unit. Advises leaders in industry and state and federal action/regulatory agencies on technical and practical matters realted to efficient use of water and agricultural chemicals in site-specific agriculture and a competitive agriculture/urban water use environment. The incumbent plans, conducts, and reports personal research addressing water management strategies that improves water conservation, weed management, and water quality by reducing erosion and chemical losses to surface and ground waters.

Qualifications Required: Your education and experience will be evaluated against all qualification requirements (basic and any additional requirements) listed below.

Basic Requirements

Agricultural Engineer/Hydraulic Engineer (0890/0810): A degree in professional engineering from a school accredited by the Accreditation Board for Engineering and Technology (ABET); OR current registration as a professional engineer; OR evidence of having successfully passed the Engineer-In-Training examination or written test required for professional registration; OR completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences; OR successful completion of a curriculum leading to a bachelor's degree in engineering technology or appropriate professional field, with 1 year of professional engineering experience.

Research Hyrdologist (1315): Degree: physical or natural science, or engineering that included at least 30 semester hours in any combination of courses in hydrology, the physical sciences, geophysics, chemistry, engineering science, soils, mathematics, aquatic biology, atmospheric science, meteorology, geology, oceanography, or the management or conservation of water resources. The course work must have included at least 6 semester hours in calculus (including both differential and integral calculus), and at least 6 semester hours in physics. Calculus and physics, as described above, are requirements for all grade levels.

OR Combination of education and experience--course work as shown in A above, plus appropriate experience or additional education.

Soil Scientist (0470): Degree: soil science or a closely related discipline that included 30 semester hours or equivalent in biological, physical, or earth science, with a minimum of 15 semester hours in such subjects as soil genesis, pedology, soil chemistry, soil physics, and soil fertility. OR Combination of education and experience--courses equivalent to a major in soil science or a related discipline that included at least 30 semester hours in the biological, physical, or earth sciences. At least 15 of these semester hours must have been in the areas specified in A above, plus appropriate experience or additional education.

Reesearch Agronomist (0471): Degree: agronomy; or related discipline of science that included at least 30 semester hours of course work in the basic plant sciences, including at least 15 semester hours in agronomic subjects, such as those dealing with plant breeding, crop production, and soil and crop management. OR Combination of education and experience--at least 30 semester hours in the basic plant sciences, including a minimum of 15 semester hours in agronomic subjects, as shown in A above, plus appropriate experience or additional education.

This position has a positive education requirement. You must provide a copy of your academic transcripts OR a list of college courses with credit hours, dates completed, and grades received to verify education when applying for this position. If this information is not provided, your education may not be appropriately evaluated, and you may lose consideration for this position.

If you are selected for this position, you will have to provide an official copy of your transcripts prior to entering on duty.

Time-In-Grade Restrictions apply for all candidates considered under Merit Promotion/Alternative Merit Promotion.

Additional Requirements:

GS-14: 1 year of specialized experience at least equivalent to the GS-13 level in the Federal Service.

GS-15: 1 year of specialized experience at least equivalent to the GS-14 level in the Federal Service.

Specialized Experience - experience which has equipped you with the following Knowledge, Skills and Abilities - 'KSAs' required to perform the duties of this position:

- 1. Knowledge of site-specific agriculture practices as it relates to water conservation, weed management, and water quality.
- 2. Skill in establishing research goals and priorities, and assessing and managing human, financial and physical resources.
- 3. Skill in developing and maintaining a research liaison with officials of stakeholders and user groups, the private sector, Federal and state agencies, colleges and universities, professional societies, and industrial associations.
- 4. Ability to document and publish research results in peer-reviewed scientific journals.

Supervisory/Managerial Competencies - the following KSAs will also be used to evaluate candidates in the interview and selection process:

- 1. Ability to lead and accomplish work through others (i.e. team building, conflict management, cultural awareness, strategic thinking, technology management, and political savvy.)
- 2. Ability to communicate with individual or groups from diverse backgrounds in a variety of situations.

Supervisory/Managerial Competencies - the following KSAs will also be used to evaluate candidates in the interview and selection process:

- 1. Ability to lead and accomplish work through others (i.e. team building, conflict management, cultural awareness, strategic thinking, technology management, and political savvy.)
- 2. Ability to communicate with individual or groups from diverse backgrounds in a variety of situations.

To be considered for a research scientist position, you must submit a one-page abstract of your MS thesis and/or PH.D. dissertation. Also submit a list of names, addresses, and phone numbers of persons familiar with your stature, contributions, recognition; any honors or awards received; memberships in professional or honor societies; invitations to make presentations at scientific/technical meetings; scientific society office and committee assignments; presentations (other than invitation); and publications.

Vacant research positions may be filled at one of several grade levels depending upon the scientific impact of the person selected. A peer review may be required to determine the

appropriate grade level of the position and supplemental materials may be required from the selectee.

Research scientists have open-ended promotion potential. Research accomplishments and their impact on the duties and responsibilities of positions are evaluated periodically. The grade level is limited only by the individual's demonstrated ability to perform research of recognized importance to science and technology. *Final grade level may be determined by a peer review panel.

SPECIAL CONSIDERATIONS:

This position requires the selectee to undergo a pre-employment check and a full background investigation. Any offer made is considered a tentative job offer pending the outcome of the pre-employment check. Retention in the position is based upon a favorable adjudication of the background investigation. The incumbent will be subject to periodic reinvestigations.

Other Important Information

Benefits Package:

A Benefits Package is authorized for this position. Additional information about Federal benefits can be obtained at www.usajobs.opm.gov/ei61.htm.

Veteran's Preference:

For further details, call the U.S. Office of Personnel Management (OPM) at 478-757-3000 or TDD 478-744-2299. Select General Information on the Federal Employment Policies and Procedures, and then Veterans Preference and Special Appointing Authorities for Veterans. Visit their VetGuide website at http://www.opm.gov/veterans/html/vetguide.asp.

Relocation Expenses:

Payment of relocation expenses will be determined in accordance with P&P 412.5, Recruitment and Retention Incentives and Other Special Pay, Sections 6 and 7, as amended by Bulletin 03-402, which may be found at: http://www.afm.ars.usda.gov/hrd/staffing_recruit/reloweb.htm.

Financial Disclosure Requirement:

Federal employees are subject to prohibitions against officially dealing with outside organizations in which they have a financial interest. If hired for this position, you will be required to submit a financial disclosure report within 30 days of the effective date of your appointment and annually thereafter.

False statements:

If you make a false statement in any part of your application, you may not be hired; may be fired after beginning work; or may be fined or jailed.

Optional Form 306, (Declaration for Federal Employment):

If you are selected for this position, you will be required to complete this form before an offer may be made.

USDA Surplus/Federal Displaced Employees:

USDA Surplus/Federal displaced employees must submit documentary evidence of eligibility. Well qualified surplus and displaced employees within the local commuting area will receive selection priority as provided by OPM regulations. Well-qualified means the applicant meets the basic qualification and eligibility requirements and all selective placement factors; is rated above minimally qualified against the KSAs or quality criteria; and is able to satisfactorily perform the duties of the position upon entry. Applicants must submit the following:

- 1) a copy of your RIF Separation Notice or Certification of Expected Separation or other documentation indicating that you are a surplus employee;
- 2) evidence of full performance level of current position;
- 3) a copy of your most recent performance appraisal; and
- 4) a copy of your most recent SF-50, Notification of Personnel Action, to verify reassignment eligibility.

Selective Service System:

Males over age 18 who were born after December 31, 1959, must have registered with the Selective Service System (or have an exemption) to be eligible for Federal employment.

Reasonable Accommodation:

Reasonable accommodation is provided to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, or have questions regarding reasonable accommodation and/or accessibility for any part of the application and hiring process, please contact the Disability Program Manager on 202-720-6161 or through the DC Relay Service on 202-855-1234 (TDD). The decision to grant reasonable accommodation is made on a case-by-case basis.

Civil Rights Policy Statement:

The U.S. Department of Agriculture (USDA) is an equal opportunity employer and provider. Discrimination is prohibited in all USDA programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's Target Center on 202-720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call 202-720-5964 (voice and TDD).

Application Package Checklist

If application packages do not contain all of the requested information, you may lose consideration for the job. To help you ensure your application fully outlines your qualifications and eligibility for this position, please submit the following documentation.

	Optional Form 612 (Optional Application for Federal Employment), SF-171 (Application for Federal Employment), Resume, Curriculum Vitae, or other document outlining your qualifications (Go to http://www.opm.gov/forms/html/of.asp and scroll down to obtain the OF-612).	
The following information is required of all applicants:		
	Announcement number, title, and grade(s) of the position	
	Full name, mailing address (including zip code) and day and evening phone numbers (with area code)	
	Social security number	
	Statement that you are a U.S. citizen (if not using the OF-612 or SF-171)	
	Copy of DD Form 214 (Certificate of Release or Discharge from Active Duty) (if claiming veterans preference) (Visit the following web site for additional information:	
	SF-15 (Application for 10-point Veteran's Preference) plus the support documentation required by this form (if claiming 10-point veterans preference) (Go to the web site at http://www.opm.gov/forms/html/sf.asp to obtain form.)	
	Paid and non-paid work experience related to the position. For each period of work experience include: Job titleSeries/grade (if Federal employment)Duties and accomplishmentsEmployer's name and addressSupervisor's name and contact informationStarting and ending dates of employment (at least month & year)Number of hours worked per weekSalaryIndicate if we may contact current supervisor/employer	
	Other job related information, such as training courses (title & year); skills (e.g., other languages, computer software/hardware, tools, etc.) Certificates/licenses (current) Honors, awards, and special accomplishments Supplemental questionnaire if applicable (usually for Federal Wage System positions - WG, WL, WS)	
	Copy of college transcripts (if qualifying all or in part on the basis of education for this position) (If you have non-conventional education, e.g., foreign study, continuing education units, life experience, etc., go to the web site at http://www.opm.gov/qualifications/SEC-II/s2-e4.htm#e4a and look under the heading "Other Education" for information governing acceptability of this type of education.)	

Ш	Copy of SF-50 (Notification of Personnel Action) to verify possession of competitive civil service status (if you are a current or previous federal employee)
	Copy of most recent performance appraisal (if you are a current federal employee)
	Second copy of application package (if the position is open to candidates outside the federal government AND if you are a current federal employee or a candidate with reinstatement eligibility and wish to be considered under both merit promotion and competitive examining procedures).
	Support documentation for eligibility for special hiring authorities, such as disability, Peace Corps service, etc. (If you have questions about whether you are eligible for a particular hiring authority, please call the servicing HR specialist or visit the web site at http://www.usajobs.opm.gov/a2.htm and scroll down to the subject heading, "Category".)
	Support documentation if you are a USDA surplus or federal displaced employee (See pertinent section under "Other Important Information" below.)
	Self-certification of typing speed (if required as a basic qualification for the position)
	While not required, a separate response to the required knowledge, skills, and abilities (KSAs listed under Specialized Experience) and Selective Placement Factor(s), if present, for this position may better highlight your specific qualifications for this position. (For an explanation of KSAs, go to the web site at http://www.ars.usda.gov/careers/whatksa.html).

As an Applicant for a Research Scientist Position, you must also submit the following:

A one-page abstract of MS thesis and/or Ph.D. dissertation

A resume of any honors or awards received; memberships in professional or honor societies; invitations to make presentations at scientific/technical meetings; scientific society office and committee assignments; presentations (other than invitations); and publications.

A list of names, addresses, and phone numbers of persons familiar with your stature, contributions, and recognition.

If this is your first time applying for a federal job, or if you wish to view more detailed information about various aspects of applying for federal jobs, go to http://www.opm.gov/forms/html/of.asp and scroll down to access the Office of Personnel Management (OPM) Optional Form 510.
